

Natasha Rampersad is a creatively energetic, gifted, resourceful leader who leads the Dance ministry at Revival Fire Apostolic Centre. Since she was twelve years old, Natasha has been an avid dance minister. There are not enough words to describe how dance has ministered to her and how it has helped her grow closer in her relationship to God. Natasha sees it is an honor and privilege to lead others to experience the Father's love through dance.

Supplemental to her dance ministry, Natasha ministers to others through prophetic art and is a faithful team member in both our Prophetic and Evangelism team ministry.

When Natasha isn't dancing, drawing, evangelizing, prophesying, interceding for the lost or teaching others to dance, she can be found at the Pleasantville Secondary School where she has been teaching Visual Arts for sixteen years.

Natasha's unconcealed passion is to worship and express her love to God through prophetic dance and art and her purpose, is to creatively share the love and healing power of God to others and help them discover and fulfill their God-given purpose.
